The 49th Ward Green Corps
meets the 2nd & 4th
Saturday of every month at...

The 49th Ward Green Corps is built on the idea of putting the passions of one person or a small group into action with the “muscle” of other Green Corps members and friends, environmental experts, and 49th Ward Alderman Joe Moore behind them.

That's how Autumn Franger turned her idea of a community "free swap" weekend into a huge event with a warehouse full of items being exchanged by hundreds of neighbors, and diverting those otherwise unused items from our landfills.

Imagine what you can do!
